

BRIGHTON DANCE FESTIVAL SCHOLARSHIP WORKSHOPS

Brighton Dance Festival is a week-long contemporary dance festival based in Brighton, Michigan. Our mission is to provide a supportive and healthy environment for dancers ages 9+ to explore technical training and artistic freedom. BDF brings together top-notch local dance faculty to offer a wide range of class opportunities. Students also attend a professional dance concert and perform in a final student showcase.

As part of our mission to make dance more accessible to all dancers in our community, BDF is touring Southeast Michigan giving away full and partial scholarships to attend the August 2016 Brighton Dance Festival.
